

Appl. No. 10/803,047
Amdt. dated August 10, 2007
Reply to Office action of June 13, 2007

REMARKS

The examiner has indicated that Applicant is required under 35 U.S.C. § 121 to restrict the patent application by selecting a single disclosed species for prosecution of the claimed invention. Applicant decides to elect the species drawn to sampling timing compensation accomplished via control of an ADC, and thereby has claims 1-4, 6-14,
5 16-20 and 23 for subsequent prosecution and withdraws claims 5, 15 and 21-22. Please note that claims 19-20 are drawn to the elected species while claims 21-22 are drawn to the non-elected species according to their own claim limitations.

10 Since the election has been made, consideration of pending claims is respectfully requested.

Sincerely yours,

15 Winston Hsu
